

Tri Folding Jack Pipe Stand

Folded Closed

Designed for the bold, the Tri Folding Jack is not your average pipe stand—it's a statement of strength and versatility. Independently load-tested for uncompromised quality assurance, this folding leg pipe stand embodies the pinnacle of reliability in the face of heavy-duty demands.

What sets the Tri Folding Jack apart is its ability to fold for easy storage, providing convenience without sacrificing strength. The addition of a carrying handle makes it effortlessly portable. Explore our extensive range of head styles and slide-on options, tailoring your Tri Folding Jack to suit any application.
