Double Roll Pipe Stand

Folded Closed

Roller kit/Head option sold separately. See reverse.

Experience the efficiency of the Double Roll Pipe Stand, designed for quick and easy pipe positioning. The innovative quick-change roller housings redefine the utility of roller stands, adapting seamlessly to evolving job requirements without the need for tools. Enjoy the flexibility of an extensive range of head style options tailored to your specific application needs.

Built for durability and precision, the Double Roll Stand features bronze bearings to eliminate arcing, a brake to securely lock loads for layout, and a generously sized handle for easy operation even with gloved hands.
