

 **CLIMAVENT**
CLEANING AIR FOR INDUSTRY

**PA SERIES MOBILE DUST
EXTRACTION UNITS**

A ROBUST, FLEXIBLE & ECONOMICAL SOLUTION TO DUST CONTROL APPLICATIONS...

SELF CONTAINED UNITS WHICH GIVE A COMBINATION OF EXTRACTION EFFICIENCY, DURABILITY AND FLEXIBILITY.

The Puratron Mobile Dust and Fume Extraction Units are manufactured in two standard sizes and are easily manoeuvred around most factory environments.

The units can be manufactured in powder coated mild steel or stainless steel and can be **upgraded to suit ATEX Zone 1/21 and Zone 2/22.**

These units are available for purchase or hire.

SUPPLIED WITH...

- > Centrifugal fan
- > Self cleaning auto shakedown filtration
- > Electrical control panel
- > 2, 3 or 4mtr extraction arms
- > Magnahelic gauge
- > Dust collection bin - 30ltr
- > 550grm polyester needlefelt bag filter

AVAILABLE OPTIONS...

- > Flame proof motors
- > HEPA filtration
- > Carbon filtration
- > Suitable for use in an ATEX zoned area
- > Stainless steel construction
- > Ductwork connection spigots
- > Anti-Static/flame retardant bag filter
